

Notice 4/2024 – Requirement to provide licence type and number

Clause 6.8(m) of the *Energy Savings Scheme Rule of 2009*

1. An ACP must provide licence information to the Scheme Administrator when the ACP applies to register the creation of Energy Savings Certificates for an Implementation:
 - a. which involved work which is required by the rules or any other law to be performed or supervised by a Licensed person; and
 - b. for which Energy Savings were calculated under clause 9.8 (Home Energy Efficiency Retrofits) or clause 9.9 (High Efficiency Appliances for Businesses) of the rules.
2. This notice commences upon Publication and remains in force until it is revoked.
3. This notice does not apply in respect of an Implementation with an Implementation Date before this notice commenced.
4. In this notice:
 - a. "licence information" means:
 - i the licence type and number of each person who performed the work that was required to be performed by a Licensed person; and
 - ii the licence type and number of each person who supervised the work that was required to be supervised by a Licensed person.
 - b. "rules" means the scheme rules for the NSW Energy Savings Scheme as in force from time to time; and
 - c. all terms that are defined under the rules have the meaning given to them by the rules.
