

# Notice 5/2024 – Requirement to provide licence type and number

## Clause 6.1(d)(xiv) of the *Peak Demand Reduction Scheme (Amendment No.1) Rule 2024*

1. In applying to register the creation of Peak Reduction Certificates for an Implementation involving work which is required by the rules or any other law to be performed or supervised by a Licensed person, an ACP must provide to the Scheme Administrator:
  - a. the licence type and number of each person who performed the work that was required to be performed by a Licensed person; and
  - b. the licence type and number of each person who supervised the work that was required to be supervised by a Licensed person.
2. This notice commences upon Publication and remains in force until it is revoked.
3. This notice does not apply in respect of an Implementation with an Implementation Date before this notice commenced.
4. In this notice:
  - a. "rules" means the scheme rules for the NSW Peak Demand Reduction Scheme as in force from time to time; and
  - b. all terms that are defined under the rules have the meaning given to them by the rules.
